

COMPLETE YOUR CONTINUING CLINICAL COMPETENCE (CCC) HOURS ONLINE

The Neuromusculoskeletal Medicine Program.
Setting the standard for online learning. Convenient and cost-effective.

Dear IANM Diplomate,

Fulfilling your Continuing Clinical Competence (CCC) requirements has never been easier or more cost effective. I am pleased to announce that the University of Bridgeport, Health Sciences Postgraduate Education Department is offering 12-HOURS of specialist-level online continuing education at a heavily discounted rate for Diplomates.

12 ONLINE LEARNING HOURS FOR USD $200

**The normal cost for 12 hours is USD $480 - which is saving of $280

This unique offer is available once in every calendar year, which will help you to maintain your credential without the costs of live seminars and travel time.

If you already have an online learning profile on the NMSM portal, you just need to ensure that your status is set to **'Diplomate'** on your Dashboard. If you are new to the NMSM, simply use the following link to set up a profile and learn more:

I hope you enjoy this high quality online learning experience.

Yours sincerely,

Dr James Lehman
Director - Health Sciences Postgraduate Education Department
